This rating system is required by House Bill 5 (see TEC 39.0545 for details about the law. It allows each campus to showcase the opportunities they provided to students, families and the community in areas other than standardized testing.

Details about the law and rating system can be found at www.laredoist.org

D. D. HACHAR ELEMENTARY

Community and Student Engagement Criteria for 2017-2018

Educational Programs for Gifted & Talented Students

- * K- 12 grade students are eligible for nomination, and once nominated, an overview of the assessment process is offered to parents.
- *Program options enable gifted/talented students to work together as a group, and work independently during the school day as well as the entire school year.
- *Students at all grade levels are involved in experiences that result in the development of sophisticated products and /or performances. Opportunities are provided for students to pursue areas of interest in selected disciplines through guided and independent research.
- *Teachers who provide instruction and services that are a part of the program for gifted students have a minimum of thirty (30) hours of GT training and; Teachers who provide instruction and services to gifted and talented students receive a minimum of six (6) hours annually of professional development in gifted education.
- *Parents are informed of all gifted/talented services and opportunities. The campus provides orientation and updates for parents of students identified and served in gifted programs through parent meetings.

Wellness & Physical Education

- *Each first grade class will receive instruction on dental health.
- *Each Kinder class will receive a class a handwashing hygiene.
- *Campuses provide up to 135 225 minutes weekly of structured moderate to vigorous physical activity.
- *Fitnessgram Assessment is conducted with all students in P.E. grade 3-5. Assessment conducted to obtain Pre & Post information, which is available to parents upon request.
- *2nd Grade students participate in a two week "Learn to Swim" session that teaches fundamentals of swimming.
- *2nd Grade students participate in the RadKids program that focuses on bully prevention, physical resistance strategies against abduction, internet safety, personal touch and personal space safety, along home/school/out and about safety.
- *3rd, 4th and 5th Grade students participate in "Elementary Sports Games scheduled by Physical Education personnel.
- *1st 5th grade students participate in fundamentals of tennis activities through a 2
- *Employees have access to participate in healthy life style as well as Health screening, training, and online resources.
- *School nurses will monitor campus immunization records and perform state mandated vision, hearing, and Spinal screenings.
- *Each campus will hold a flu vaccine clinic at their campus. Flu vaccines are provided by the Texas Vaccines For Children program throught the City of Laredo Health Department

21st Century Workforce Development Program

* Campus has events that bring career information to the majority of students. Speakers periodically visit classrooms to provide career information to the students.
