

D.D. Hachar Elementary School

Believing, Achieving, and Succeeding!

Subject: Re: Cova.docx

March 3, 2020

Dear Parents,

Although we are going through some very serious times due to COVID-19, please rest assured that we are doing everything possible to provide the best education for your children through our districts online learning. D.D. Hachar Elementary School may be closed, but the learning continues.

Please know that our teachers will be calling our families this week to discuss the instructional continuity plan for your child. The plan includes remote communication and lessons with teachers through technology (Campus/District Websites) and/or instructional packets developed by our District.

Teachers will also be providing passcodes for Class Dojo or Remind. It is very important that you contact your child's teacher should you have any questions from 8:00 a.m. to 12:00 p.m. We will do everything possible to support your child's learning.

On Friday, March 13th, the last day before Spring Break, an instructional packet was given to each child to complete at home. Please have your child turn it in upon return. We are scheduled to come back Monday, April 6th. If this changes, we will inform you immediately. In the meantime, please continue to pick up the "Grab and Go Breakfast and Lunch" from 9:30 a.m. to 12 p.m., at school.

Instructional packets for the week of March 30th through April 3rd, have been passed out this week for all students, if you have not picked up your child's packet please do so during the Grab and Go hours.

Remember to stay tuned to the local news, LISD/D.D. Hachar websites, and social media. More importantly keep the faith, stay safe, and continue social distancing. Our community will get through this, as we eagerly await to have all students back at school soon, for now all communication will be online. Thank you all for your support!

Sincerely,
Mrs. Cynthia Villarreal-Gonzalez, Principal
D.D. Hachar Elementary School
